Theme for the day: "Keeping Good Company"

Sermon: "Alive in Christ"

LESSON FROM THE CHRISTIAN GOSPEL (Luke 20:27-38)

Some Sadducees, those who say there is no resurrection, came to him and asked him a question: "Teacher, Moses wrote for us that if a man's brother dies leaving a wife but no children, the man shall marry the widow and raise up children for his brother. Now there were seven brothers; the first married a woman and died childless; then the second and the third married her, and so in the same way all seven died childless.

Finally the woman also died. In the resurrection, therefore, whose wife will the woman be? For the seven had married her." Jesus said to them, "Those who belong to this age marry and are given in marriage, but those who are considered worthy of a place in that age and in the resurrection from the dead neither marry nor are given in marriage. Indeed, they cannot die anymore, because they are like angels and are children of God, being children of the resurrection. And the fact that the dead are raised Moses himself showed, in the story about the bush, where he speaks of the Lord as the God of Abraham, the God of Isaac, and the God of Jacob. Now God is God, not of the dead but of the living, for to God all of them are

alive."

John Wesley Quote

Let love not visit you as a transient guests, but be the constant temper of your soul.

See that your heart is filled at all times and on all occasions with real

undissembled benevolence, not to those only that love you, but too every soul of man.

Let it pant in your heart, let it sparkle in your eyes, let it shine in your actions.

To be continued.....

Sunday Fellowship

Sunday Food after Church,

We are expanding our Sunday food to add some variety.

- November 6th – Soup and Bread Brunch after Church – Bring your favorite soup or a delicious or interesting loaf of bread to share. (I do consider chili a soup)
- November 13th – Potluck brunch after Church – Bring your favorite dish to share
- November 20th – Scouts make pancake breakfast after church (3rd Sunday) – This is a fundraiser for our own Troop 6 and a wonderful meal to share as we visit.
- November 27th - Potluck Brunch after Church – Bring your favorite dish to share

If you accidentally bring a different dish on a different day don't worry. That is how soup Sunday got started when Jennifer brought a crock pot full of delicious soup in on an unexpected day and everybody thought it was such a good idea that Soup Sunday started.

Drain Line Repair Completed

This week AAA Sewer completed the repair of the drain line in the alley.

It was a suspenseful week as they carefully scoped and hand dug up the existing drain line that went inches from the gas line and water pipe.

The best we can tell the drain line was installed in 1949 when the education wing was put on the church to replace a drain line that was going to be in the foundation of the new building. At that time, it was standard to install a "S" trap in the drain line just before it entered the sewer main.

We also found an abandoned branch drain line that joined the line we were replacing. The clay "S" trap was destroyed in 2003 when the water line was buried for the Museum of Idaho construction. The clay trap was replaced with a PVC "S" trap.

It appears that the "S" trap got clogged with debris from the sanctuary roof. The clog was so dense that it did not respond the rotor router cutting tool and when it was scoped the camera disappeared into a mud blockage.

When water was sent down the pipe it hit the blocked "S" trap and then came back out the abandoned branch line that directed it back towards the outside stairs into the Boiler Room hallway.

The result was that 30 minutes after the washing machine ran there would be water leaking into the basement at the stairwell.

In the repair, all the clay and cast-iron

pipe was replaced with ABS and PVC pipe and the "S" trap was eliminated. The abandoned branch line was removed from the system and now there is nothing to allow leakage or block the flow.

The pavement in the alley has been repaired and everything is good as new.

Plastic Bag Recycling

The UMW (UWF) plastic bag collection for the community garden was so successful that they have an abundance of benches at the garden.

We are continuing the program at Trinity to get some benches for the church. The collection box is still at the entrance to the sanctuary at the top of the stairs.

Starting in November we have 6 months to collect 500 pounds of bags to earn a bench.

Each month I will weigh all the collected bags and deposit them at the drop-off location at Fred Meyer store.

I will enter the weight on the Trex website and keep you posted on the total. Thanks for your efforts to keep plastic out of the landfill and recycle it into something useful.
