"My friends, if any followers have wandered away from the truth, you should try to lead them back. If you turn sinners from the wrong way, you will save them from death, and many of their sins will be forgiven." (James 5:19-20)

Dear Sisters and Brothers in Christ,
The above scripture might apply to you personally, as I found it applied to me this Lent.

So how are your Lenten disciplines going? Some of you may have found that this thing that you added to your life or set aside from your life has made you feel more alive, more

Pastor's Perspective

joyful, and more in tune with God's peace and joy. Or you may have, for one reason or another, abandoned your discipline several days or even weeks ago! My Lenten discipline was to get a better grip on my health. David's Lenten discipline was to give up alcohol. I told David I would join him in that discipline and straighten out a medication issue I was having. When I had foot surgery last December, I had to go off my warfarin. Well... I had never started back up. There were lot of excuses like, I can't take anti-inflammatories or pain killers at the

April 2017

same time I'm on the warfarin and also a bit of laziness on my part about getting in to see the doctor. So starting Ash Wednesday, I quit the medications I was **not** supposed to be taking, and re-started the medication I **was** supposed to be taking. The next week, I went in to get my INR tested (it's a test of how thick your blood is) and mine was too thick! I knew right away what the problem was. Alcohol affects how warfarin thins your blood. When you take warfarin you have to eat the same amount of dark green, vitamin K rich vegetables each week and drink the same amount of alcohol each week. Long story short; this Lent I failed to fast from alcohol, but succeeded in get-

ting a handle on my medications and a couple of other health areas.

It can be hard to fail at something so quickly when I thought it would be so easy. It can be tempting to focus on the details and think of every task as pass or fail, yet I needed to remember to look at the big picture which included why I was doing these things - because I serve God and the church better when I care for my health. I pray that your Lenten disciplines are serving to bring you closer to God and to live a more whole and joyful life.

Blessings,

Reverend Ruth

Welcoming Statement Project

By Don Rohde

The project to develop a welcoming statement for Trinity is progressing.

- ⇒ Posters with examples of welcoming statements from 10 other Methodist churches have been on display in the Parlor and back of the Sanctuary since January 1st
- ⇒ We completed the five session Sunday evening study of "For the Bible Tells Me So" during which Reverend Ruth is helping us examine, with scholarly rigor, the 8 scriptures that are commonly thought to refer to homosexuality.

- ⇒ We also completed the "Called to Love" training provided by Oregon Idaho Conference. It explored how your warm welcome and acceptance can make all the difference to gender nonconforming young people, adults and their families.
- ⇒ Next, a task force composed of a cross-section of the congregation will craft a Welcoming Statement for Trinity. To volunteer for the Welcoming Statement Taskforce please contact Reverend Ruth.

Cub Scout Pack 6

By Sam Bays

Training is fun! God is good! Now that the Blue and Gold banquet is behind us and the required adventures are completed, Pack 6 is now turning our attention to elective adventures and specialized awards.

The Scouts are working on cyber-awareness, video game design, World Conservation, and STEM Nova Awards.

In February, the Pack held a hike and picnic at Freeman Park. We Scouted birds, squirrels, hairless apes, domesticated canines, and even indications of a beaver. We also discussed "Leave no trace". More importantly, I got my hot-dog and one smore. Delicious.

This month, I also had opportunity to attend a "Scouting University" all-day workshop in Shelley.

What an uplifting experience to learn from experienced Scout leaders, and to have fellowship with other active registered leaders. I think I enjoyed myself more at Scouting U than attending my own professional society's national conference. The underlying theme is that giving or receiving "training" can be counted as joy with the right frame of reference. The best way to learn is to teach. The great diversity of family profession, background, and talents in Pack 6 is proving to be a very rich

learning experience for both parents and Scouts.

If you would like to join the fun, I'd be more than happy to help get you plugged in. Youth leadership is not a chore, but a blessing. *"Let the wise listen and add to their learning, and let the discerning get guidance"* Proverbs 1:5.

Happenings Around the Church

Directory

Although we received the new church directory, it will not be given out due to a high number of inaccuracies. Replacements with corrections will be arriving very soon!

4th Sunday Potluck

Great good luck will come to us on April 24th after worship. It is always such a wonderful blessing to eat good food with great company. Bring a dish to pass and enjoy!

Handcrafters

Handcrafters will not be meeting in April as the regular meeting would fall on Good Friday.

The Progressive Dinner

We will be serving soup and bread for the Progressive Dinner on Sept. 15th. Courageous souls have signed up for coordinating food, meeting with the board, and leading cleanup. A few more positions need to be filled, the work crew lead and decoration team. Donations of pots of soup will not be turned down, nor will baskets of bread. Please call the office (522-7921) or Don Rohde (860-810-3227) to volunteer for this mission which raises money for the Soup Kitchen.

Alternative Prom a Success

Thanks to Breaking Boundaries, the Diversity Defenders were able to host a dance at Trinity United Methodist Church.

Diabla's Kitchen provided the refreshments, Jennifer Haas was our DJ, and Synyster Photography shot our portraits.

The March 11, 2017, alternative prom was attended by 87 people (most of them teens) and it certainly seemed that a great time was had by all!

One quote from the Diversity Defenders comment book:

"To me it means a safe place where I can be myself and not bullied or harassed for something I can't change... I'm not alone here."

And another:

"I love how people actually care (for) the crowd that's different. Every town needs this."

Once again, Trinity is making a positive difference in people's lives.

Scouting News

By Robin Stewart

Boy Scout Troop 6

Our own Theo French will provide new leadership for Troop 6. The troop has been working on making granola bars for camping, doing some first aid (epic photo below), and making scones... all necessary scouting skills. The troop is planning on graduation from the Arrow of Light den from pack 6 - upcoming on the 28th.

Venture Crew 6

The Crew is gearing up for annual yard aerating and thatching. See advertisement on opposite page.

The crew has been climbing at the new gym, and are working on our big outing this year to the Olympic Peninsula or another trip to Glacier (or both!).

Girl Scout Troop 60 /62

The girls had a great visit from the Idaho Falls Police Department who answered lots of great questions from the girls and gave great advice on being a good citizen and what to do to be safe online. This opened quite a few eyes and the girls are looking into updating their security settings on Social Media, something we all should look into.

Girl Scout Troop 60 had a stupendous cookie season. Our Senior High School student Marie Cleverly sold about 1,700 boxes of cookies. We will miss her contributions to our troop next year. On March 31 we are hosting our first Pine Wood Derby for the girls. We are hosting a Breath Journey workshop for our Cadette girls on April 15. Overall, we are having a great year and are looking forward to spring and summer outdoor activities with the girls.

Easter Candy Needed

Individually wrapped candy to fill Easter eggs for the church Easter egg hunts. Please bring it by the office.

Regional Council for Christian Ministry

F.I.S.H.: Twenty-eight families were served in February with their greatest needs being health care, particularly one-time prescriptions. This school year, supplies have been provided to 908 students, the highest number ever.

Community Food Basket: 721 families were served in February. In preparation for moving to independent non-profit status, the organization is working on an annual budget and preparing a number of grant requests.

Soup Kitchen: 2,644 adults and 109 children were served in February. Having food storage available at the Community Food Basket warehouse has enabled the Soup Kitchen to realize savings by buying in bulk and by getting 'free' food in bulk; savings are offsetting other costs.

Little Church in the Pines: Pastor Tom Shanor sent a letter reporting on the growing success of the Little Church ministry to those at the St. Anthony Youth Corrections Facility. On the Sunday before his letter was written, 101 young people attended the service. Blessings on those providing the service and on the young people.

For your calendar:

May 13 The annual Letter Carriers Food Drive will be conducted. Bags will be delivered and donated groceries will be picked up at your home.

May 21 A special music program will be preformed at First Lutheran Church, as the choir prepares to travel to New York City to perform at Carnegie Music Hall.

Pete Isaksen Endowments Established

The TUMC Endowment Committee is honored to announce the establishment of two new endowment funds in memory of Pete Isaksen. Pete made a generous financial donation to TUMC upon his passing. His gift was used to create the Pete Isaksen General Fund and Pete Isaksen Scholarship Fund. The General Fund will be applied to Church needs, as determined by the Board of Trustees.

The Scholarship Fund will be put into immediate action with scholarship

awards for the upcoming 2017/2018 academic year. This generous scholarship of up to 3 scholarships per year, each valued at up to \$10,000 per year, and renewable for up to 3 additional years, will go far towards reducing the financial burden of students pursuing degrees in STEM (Science, Technology, Engineering or Math) fields of study.

TUMC is truly blessed by this gift and grateful to Pete and the Isaksen family for making these endowments possible.

TUMC Endowment Scholarships Available!

ATTENTION High School Seniors and College Students! The TUMC Endowment Committee is kicking off its scholarship process for the 2017/2018 academic year. As in previous years, one Hazel Skelton General Scholarship of up to \$1,000 and additional Chesbro Music Scholarships of up to \$1,000, for those pursuing a college major or minor in music, are available. Additionally, we are excited to announce the creation of a new scholarship in memory of Pete Isaksen. The Pete Isaksen Scholarship will fund up to 3 scholarships per year, each valued at up to \$10,000 per year, and renewable for up to 3 additional years. To be eligible for the Pete Isaksen Scholarship, the applicant must be pursuing an undergraduate or graduate degree in a STEM (Science, Technology, Engineering or Math) field of study at an accredited college or university.

Applicants will be considered for all available scholarships, with selections made based on individual scholarship criteria. Therefore, each applicant only needs to submit one application package. Scholarship applications are available from the church office and website at www.tumcif.org. Completed application packages, including a brief essay, transcripts, and letters of reference, are due no later than June 1, 2017. If you have questions regarding the process contact Diane Croson at diane.croson@gmail.com
