Trinity United Methodist Church

Pastor's Perspective

Indeed, the body does not consist of one member but of many. If the foot would say, "Because I am not a hand, I do not belong to the body," that would not make it any less a part of the body. And if the ear would say, "Because I am not an eye, I do not belong to the body," that would not make it any less a part of the body. If the whole body were an eye, where would the hearing be? If the whole body were hearing, where would the sense of smell be? But as it is, God arranged the members in the body, each one of them, as God chooses. If all were a single member, where would the body be? As it is, there are many members, yet one body. (1st Corinthians 12:14-20 ©NRSV)

Dear sisters and brothers in Christ, We did it! Together we did it. The congregation of Trinity United Methodist Church completely funded the 2016 budget, including paying 100% of our Shared Ministry Apportionments! Wow - you are awesome. I am looking forward to seeing what kinds of stupendous things we can accomplish together in 2017. As those yet unseen ideas and plans unfold, I want to remind you to care for your spiritual lives so that you will be ready to answer the call that God places in your heart.

Our United Methodist heritage gives some fruitful help here. In the Class Meetings, the Methodists “watched over one another in love.” Their lives together were guided by the General Rules given to the United Societies by John Wesley. The General Rules are the Methodist rule of life.

This Methodist rule of life was general because it allowed for the diverse personalities, needs, and spiritual maturity of the members of the class meeting. It was a rule because it was a guide to help the Methodists orient their corporate and individual lives toward Christ and his life in the world. It is like a compass that helps keep a traveler on course to their destination. For the Methodists, the destination was holiness of heart and life. They were on a journey together guided by their rule of life. Being accountable to and with one another, “watching over one another in love,” helped them make progress along the way.

The General Rules are very simple:

1. Do no harm by avoiding evil of every kind; especially that which is most generally practiced...
2. Do good as often as you can to as many as you can, to their bodies and to their souls ...

3. Practice the means of grace:

- Private and family prayer
- Public worship
- Bible reading and study
- The Lord’s Supper
- Fasting or abstinence

These rules help us to grow closer to God and each other.

Imagine that God is the center of this wheel, and we humans are the outer rim.

Discipleship, practicing the means of grace, is how we move from the circumference of the circle closer and

closer to the center. In the process, we grow in love and are drawn closer and closer to our neighbor and to God. Living the General Rules within relationships of mutual accountability and support in small groups empowers and equips women, men, youth, and children to grow up and grow toward the One who is creating, redeeming, and sustaining them in love.

May we all hold each other up and accomplish great works in the Lord this year!

Blessings, Ruth

Shrove Tuesday 2/28

The pancakes are coming! The pancakes are coming! Along with Don Taylor’s mother’s special Shrove Tuesday Crepes. They will arrive in Mary Dawson Hall at 6pm on Tuesday, February 28th. That’s the last day of February this year, by the way. Trinity UMC will be holding our - too many years to count - annual pancake dinner *and* our 3rd annual pancake races! What you will need for that night: your favorite pancake toppings to share - that’s for the eating part of the evening... your favorite pancake flipper - that’s for the racing part of the evening...

There is a marvelous tale that says pancake races began in the year 1445. A woman had lost track of the time on Shrove Tuesday, and was busy cooking pancakes in her kitchen. Suddenly she heard the church bell ringing to call the faithful to church for confession. The woman raced out of her house and ran all the way to church, still holding her frying pan and wearing her apron.

Welcoming Statement Project By Don Rohde

The project to develop a welcoming statement for Trinity is progressing. Posters with examples of welcoming statements from 10 other Methodist churches have been on display in the Parlor and back of the Sanctuary since January 1st. Thank you to the people who have been using the Post-It notes to make comments on the wording, and to those who have already volunteered to be part of the Welcoming Statement task force.

We are half way through the five ses-

sion Sunday evening study of “For the Bible Tells Me So” during which Reverend Ruth is helping us examine, with scholarly rigor, the 8 scriptures that are commonly thought to refer to homosexuality.

Next, during the 6 weeks of Lent, which begins March 1st, a task force composed of a cross-section of the congregation will craft a Welcoming Statement. To volunteer for the Welcoming Statement Taskforce please contact Reverend Ruth.

Trinity in Local Mission

By Marilyn Taylor

Thanks to the generosity of many, there were warm hats, gloves, scarves, mittens and socks given to people in the community. The items have been distributed to Hawthorne and Bush Schools, and the Domestic Violence

and Sexual Assault Center. With this old fashioned winter, the warm items are deeply appreciated.

Thank you also to those who have contributed to the diaper, wipe and pull-up basket.

Cub Scout Pack 6

By Sam Bays

This has been a very exciting year for the Pack 6 Cub Scouts. As you may know the popcorn sale is our only fundraiser. Six of our cub scouts were recognized at a "Spin Party" (read pizza and prizes) on Jan 7 for boys who sold more than \$1,200. We had 6 of the 17 top sellers of the Grand Teton Council (eastern Idaho, western Wyoming and southwestern Montana). In all we sold more than \$10,000 more than any other Cub Scout Unit. Because of their hard work, Pack 6 can sustain their very active program.

I am excited to be the new Cub Master for such a spirited group. I would like to thank Bill and Lola O'Steen for being such knowledgeable and patient mentors. Much of the existing Pack leaders are aging out as their boys are moving on to Troop. Hence, we are currently looking for parents, and hopefully some members of Trinity, who feel called to serve as future leaders in the Pack. Also, we are always

looking for new boys (K-5th grade) to join the Scouting program. With that I'd like to invite to any pack meetings our gracious charter organization, Trinity Methodist. Our next pack meeting is January 31st. Also, on Scout Sunday (Feb 12) the Webelos and Arrow of Lights will be joining Troop 6 to offer fellowship and a cast-iron lunch after worship. That is a meal cooked in cast-iron, not a meal of iron.

Jake, Austin, Zander (back row),
Joshua, Christian, and Dylan (front row)

United Methodist Women

by Mary Nagel

Mark the date! January 29, 2016, is United Methodist Women's Sunday. These lovely ladies will be greeters, ushers, liturgist and coffee servers. Special cookies will be served during the coffee hour. The Ethel Clark Circle will host the February 9th unit meeting. New members to the unit will be honored. The program will be our traditional "Show and Share." Any crafts, art, hobbies, etc. are so interesting.

UPCOMING DATES:

- ♦ March 4th Trinity will

host EMEE (Every Member Enrichment Event). This is an Sage District event and all are encouraged to attend. More details later.

- ♦ March 12th is the annual Spring Bake Sale. Please bring and buy goodies after the service.
- ♦ Our own Cordy Koeslch is going to the Women's March in Washington DC on January 21st. Please pray for her for safety in travels and marching.

Building Preservation - Board of Trustees

Your trustees are working to implement the The National Fund for Sacred Places (NFSP) grant opportunity for Trinity. Their grant process includes support and training to develop the preservation plan, and to run a successful capital funds campaign.

Accomplishments in January:

- ⇒ Received a \$5,000 Planning Grant from National Fund for Sacred Places which will help pay for the assessment report.
- ⇒ Inspection of the church building by a team of engineers and receipt of a draft copy of their assessment report on the building's condition.
- ⇒ Trinity team attended the training in Fort Worth, TX, about strategies for fundraising. Included were Rev. Ruth, Nancy Stewart, and Mike Bean who will spearhead the Capital Campaign.

Activities for February will include:

- ⇒ Receipt of the final assessment report on the building condition.
- ⇒ Preparing the fund raising campaign.

Future Phase One Activities - Using the Idaho Heritage Grant Money:

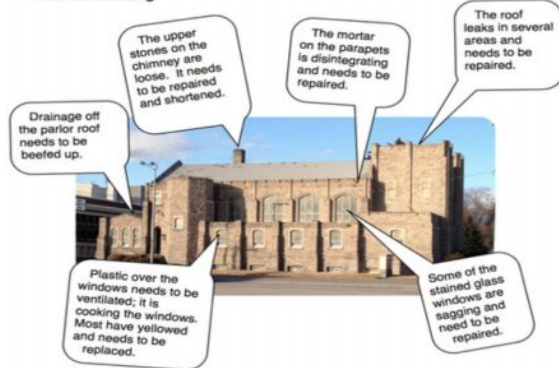

- ⇒ (May?) We are waiting for the weather to warm up enough so the new mortar securing the stonework will cure properly.
- ⇒ (June?) When the stone masons are finished with their tuckpointing work in the roof area, we can start the replacing the roofing.

Trinity Restoration Committee members are grateful for your help to date. We are eager to use the new tools of fundraising training and the Building Condition Assessment report to communicate the financial needs for this project to our congregation and the community.

2017 is a great time to celebrate 100-years in the sanctuary and care for our beautiful building!

Yours in Christ,
Nancy Stewart

Scouting News By Robin Stewart

Girl Scout Troop 60 /62

Girl Scouts 60 – The troop is preparing for their “annual” trip to Harriman State Park to cross country ski, "camp" in the large dorm, and take in all the sites of this wonderful park. The Troop had a great time ice fishing at Henry's Lake in December, even hauling in two fish!!!

Boy Scout Troop 6

Troop 6 – Thanks to Theo and Tim for the breakfast buffet served at the church in early January. The troop is frantically preparing for the district

wintered, where their skill in lashing, fire building, first aid, map/compass, geocache, signaling and all other scout skills will be put to the test. Oh - and we're hoping for some serious cold weather - a wintered tradition.

Venture Crew 6

Venturing Crew 6 – We're investigating co-oping with a crew in Rigby. We've lost several members of the crew and are hoping to bring our levels up to a critical mass to bring up the fun level for the youth. Stay tuned.

Regional Council for Christian Ministry By Linda Milam

Committee Reports:

F.I.S.H. served 27 families in December, mostly for health care issues; over 880 school supply orders have been filled this school year.

Community Food Basket served 812 families in December; in 2016 over 10,000 families were served though the number is a decrease from 2014 and 2015. A new warehouse with 15,000 sq. ft. of space has been secured; costs of rent, utilities, etc., will be \$70,000 per year, but the ability to accept and store free food from the Idaho Food Bank and other sources will more than recover that cost (for example, one shipment in January was valued at \$70,000).

Lenten Series:

Lenten services will be offered on Fridays (March 10, 17, 24 and 31 and April 7). As in past years, a light soup and bread lunch will be provided at

Pints 4 Preschool Fund Raising Event

Castle Bridge Preschool is having a scholarship fundraising event at the **Tap n' Fill** bar (1494 Milligan Rd., Snake River Landing) Wednesday, February 8th from 5–8 pm.

Raffle Tickets for beautiful baskets will be available from Betty Anderson, 208-521-3039, Erin Nazario, 206-794-4350, or the 1st Presbyterian and Trinity church offices.

11:30 or 12:30, with a service at noon. The full schedule of host churches and speakers will be in the March Trinity Times. The offering from the five services will be donated to Ruth House.

Community News:

Soup Kitchen served approximately 54,000 people during 2016. The organization is pursuing partnerships to result in savings (for example, they will be able to buy some items in bulk and store them at the Community Food Basket warehouse).

Alternate Giving Fair total contributions were \$14,100, divided among the 30 participating organizations. Because the nature of community giving has changed over the years, the event will not be held in 2017.

Other Business:

2017 Administrative Costs for RCCM, divided among the 3 ministries is \$13,972, or 4% of expenses.

Trustees Corner

A trustee's job is to take care of the church building, both in the long term restoration and in the day to day upkeep as well. This month:

- ⇒ We entered into a new snow removal contract to get a plowing service that is better in tune to our needs.
- ⇒ We addressed a water temperature issue and plumbing need at the parsonage.
- ⇒ We replaced some more steam traps in the Sanctuary to prevent steam from returning to the boiler.

Emerging Issue:

- ⇒ We have a leak in the Parlor, possibly from a roof joint, that needs fixing. It was discovered January 11 when snow was melting.

Our boiler makes steam which flows to the radiators in the church. The steam in the radiator gives up its heat and it turns back to water. The steam trap lets the water leave the radiator and go back to the boiler but blocks the hot steam. When a steam trap fails it lets the hot steam go back to the boiler where it is vented into the boiler room

making a mess of the plaster and paint. There are about 70 steam traps in our heating system. Rob is working diligently to identify the failing traps and notifying the trustees to get them replaced

Yours in Christ,
Nancy Stewart

Many Hands Make Fun Work

The Progressive Dinner is set for September 15th. Trinity has been assigned soup and bread, a really fun course! If we get a team in place now, we will be well organized. Needed are people to take charge of representation (2 meetings), decoration, workers, food, and cleanup. Pam will take your call to the office at 522-7921 if you feel moved to help. Last year over 300 people visited our building as more than \$2000 was raised for the Soup Kitchen which served 54 thousand lunches to adults and children last year.
