Trinity United Methodist Church

Pastor's Perspective

Now you are the body of Christ and individually members of it. And God has appointed in the church first apostles, second prophets, third teachers; then deeds of power, then gifts of healing, various kinds of tongues. Are all apostles? Are all prophets? Are all teachers? Do all work miracles? Do all possess gifts of healing? Do all speak in tongues? Do all interpret? But strive for the greater gifts. And I will show you a still more excellent way.

(1 Corinthians 12:27-31)

Dear Brothers and Sisters in Christ, Can I get an AMEN? Many of you give so much more than an amen, and I want to give a big shout out to some of those workers!

As we move to the summer schedule (beginning June 4th), the first big thank you goes to those who have taught Sunday School this past year. I am especially grateful to the talented Betty Anderson who can use written curriculum or make it up as needed. She has been ably supported by Heather Castillo, Tommy Lew, Don Rohde and Ed Simmons.

Another often unsung group is the Bereavement committee which prepares refreshments or meals for family and friends of those who are mourning the passing of a loved one. We have celebrated the lives of many of Trinity's saints in the past few months and sharing a meal together is a lovely gift of salve to aching hearts. I am grateful to Trudy Esparza, Joanne McCray and Ruth Oar for planning, preparing and getting helpers to do this important ministry.

Trinity members also participate in the larger church. Next up on the calendar will be Annual Conference. In 2017 the Oregon-Idaho and Pacific Northwest Conferences of The United Methodist Church will meet together in a shared annual conference session June 14 - 17, 2017 at the Red Lion on the River - Jantzen Beach in Portland, Oregon. Our new bishop, Elaine Stanovsky will preside over these meetings. Both Annual Conferences will have times to meet separately and attend to the business unique to them, but they will also meet as one large group when we can. Trinity will be well represented. Of course Rev. Ruth will go, but also attending will be Ron Ayers as our elected lay member, Tia Durrant as a Young Adult Equalization member for Sage District, Mario Estrada as a Youth Equalization mem-

ber for Sage District, David Armstrong as a Western Jurisdictional member and Caitlin Miaullis as a page.

As you see these faithful servants from all the areas I have mentioned, please add your thank you and keep them in your prayers.

Blessings,
Reverend Ruth

Building Beloved Community

The Restoration Steering Team has invited a small group of students who are studying Public Relations for Finance Campaigns at BYU-I to help us get the word out about restoring Trinity's beautiful building.

"Building Beloved Community" will be the name and catchphrase of the capital funds campaign for Trinity Restoration with Trinity UMC being referred to as a jewel of Idaho Falls.

On July 1st there will be a Service Day at the church when the public - and you - will be invited to participate in various work or service projects such as: painting in the parlor, assembling UMCOR kits or painting the outside handrail. As people are doing these projects we will ask them to #jewelofidahofalls on social media. More to come on this special event.

Building Preservation - Board of Trustees

Myers-Anderson architectural firm completed the Facilities Assessment for our church. This document will be used to communicate our monetary needs with the public and our congregation. The document notes our need for a new sanctuary roof, masonry work and bathroom upgrades both upstairs and downstairs. We also have a rough cost estimate for other needs throughout our building as part of our 10-year plan for TUMC.

On April 27, we completed 29 interviews as part of the Feasibility Study for a capital funds campaign for our church. This was led by Partners for Sacred Places. Thank you to everyone who participated. We are waiting for their report, expected by June 1, and will share the results with you on the suggested size of our Capital Funds campaign.

Mike Croson has taken the lead on this year's restoration work. Idaho Abatement has completed the first phase to remove the bituminous paper at a cost of \$4,489.82. This work will be covered in half using the matching

Idaho Heritage Grant of \$8,750 that Lynn Seymour and Terri Robinson obtained in 2015.

On May 16th Highlander Masonry started securing

the capstones around the exterior of our masonry. Mike Croson and Barry O'Brien are overseeing this work.

We have communicated with Idaho Heritage that we have started the work scope for their matching funds grant and have the forms and data necessary to complete their paperwork.

Myers Anderson, our architect, is overseeing this year's work and will also help us to identify and hire someone to patch the roof leaks in the parlor and the Education Wing Stairwell this year. - Nancy Stewart

Regional Council for Christian Ministry

F.I.S.H. - General assistance: There were two areas of particular need during April: visits to the Community Family Clinic and associated prescriptions, and fuel vouchers. We were reminded that it is not advisable to give money to people requesting assistance at street corners; instead, there are small flyers (available to you at the church office) that list many locations in town where free meals are available.

Services for Students: in July, school supply sales will begin; if you would like to help with purchases, general school supply lists, by school and grade level, are available at many of the stores. Jo Daniels, in the RCCM office, also has a general supply list that she can email to you. During the 2016 - 2017 school year, supplies were given to 913 students. Also, F.I.S.H. works with District 93 to provide backpacks with a weekend's worth of 'good calories' for students identified by the schools. F.I.S.H. is looking for volunteers on Wednesdays during the school year to fill the backpacks or deliver to the schools. Call Bev Kemp if you are able to help (she's listed in the church directory).

Community Food Basket - During April, 801 families (3,137 individuals) were helped. The first four months of the year has seen a very slight decrease in numbers. Dollar contributions are up over \$2,000 for the first four months of the year compared to the same period in 2016 and over \$61,000 (!) over the same period in 2015. The Food Basket has relocated its warehouse to 1895 N.

Boulevard. Food drives continue throughout the community; upcoming drives include LDS Stake food drives every month except October, a concert in Ammon, and the VW Enthusiasts car show in August. \$3,200 was realized during the Idaho Gives campaign in early May. The RCCM Board approved hiring a part-time maintenance person who will work at the Food Basket warehouse and the distribution building; costs will be paid by the Food Basket.

Community News:

Soup Kitchen: During April, 4542 meals were served, an average of 151 per day. The Idaho Gives campaign netted \$6,000 for the Soup Kitchen and students at Skyline H.S. donated \$7,000. The Soup Kitchen would like to have a team commit to cooking/serving on the 2nd Saturday of each month.

Homeless Stand Down will be held on November 4th this year, a change from the traditional late January date. F.I.S.H. is responsible for white tube socks and 'portable protein' - individual packaged servings of tuna, chicken, soft energy bars, etc., and would appreciate donations (put an item or two in your cart each time you shop....you'll hardly notice the difference in your bill, and you'll be surprised at how quickly your donation grows!)

Hope Lutheran will hold a free concert on June 20th at 6:30 PM.

United Methodist Women by Mary Nagel

The United Methodist Women will have their next meeting on Thursday, August 10 at 1:00 p.m. in the parlor for the annual ice cream social. There will be a short program as well as ice cream, toppings, cookies and beverages. All women are invited to come to the meeting.

Joni Pace will be attending Mission u at the Nazareth Center in Boise, July 6 - 9 where the current studies of the United Methodist Women are given in classes. Along with the classes are worship services, great food and lots of fellowship. Participants can attend for the full three

days and take two of the three classes, or attend for part time and take only one of the studies.

Members of the United Methodist Women participate in many parts of the Idaho Falls community in such as the Local Food Basket, Soup Kitchen, delivering bags of nonperishable food to schools each week so students can have food on the weekends, CASA, and working at the Museum of Idaho. Keeping track of UMW volunteer hours is one tool the church can use to help the community understand the tangible value they receive from Trinity.

Scouting News By Robin Stewart

Girl Scouts.

Girl Scout Troop 60 /62

Six Cadettes completed the "Breathe" journey in April. A journey is needed to complete the "Silver" award in Girl Scouts. This was a fun undertaking and included a trip to Good Samaritan Nursing Home to hand out plants, which reduce indoor air pollution, to the Bingo participants. We are planning to meet in the summer with fun outdoor activities and are looking for new members to join our troop.

VENTURING-BSA

Venture Crew 6

The crew has been busy with outside activities. They have been bike riding, and plans are to go to the new escape house in Idaho Falls. (They have been going to Rexburg.) Should be fun. The Tier 3 activity for this summer is an extended canoe trip down a

local river, where the scouts will show off their newly acquired paddling skills and ability to read the river currents, weather and all trek needs. Crew 6 still meets at 6:30 Wednesday nights

Boy Scout Troop 6

Troop 6 is preparing and serving breakfast for the congregation as a fundraiser on the third Sundays. The breakfast will be the traditional pancakes, sausage/bacon, scrambled eggs, hash browns, and coffee/juice. As the boys learn the ins and outs of breakfast, we'll explore bringing back the crepes that were so popular when the Venturing crew prepared the breakfast - but we'll keep it fast and simple to begin with. We'll be accepting donations for the scouts who participate. Thanks for all the support Trinity and it's congregation gives our scouts. — Boy Scout Troop 6

Staff needed for Vacation Bible School

We need a Director for Vacation Bible School, our summer effort to bring children closer to God and to our church community.

The director will lead and structure the organization of a five-day event and will be supported by dedicated staff and volunteers. Good organization and communication skills are a

necessity. Recruitment of volunteers and planning meetings should begin as soon as possible. We have curriculum available at the church or by order. Staffed areas include preschool, multi-age groups, music, games, snacks, and child safety.

Please prayerfully consider this request. Contact Rev. Ruth Marsh.

Trinity in Local Mission

By: Marilyn Taylor

Members of the Missions Committee put together hygiene bags to be distributed at the Soup Kitchen and at other places where they might be enjoyed by community members who may not have the funds for hygiene purchases. Products in the bags are mainly from the soaps, shampoos, lotions, etc., that people bring from their travels to share with others. So, if you travel, feel free to bring back the hygiene items to share.

Thanks to many of the congregation, there will be about 62 warm blankets distributed by Church World Service where needed. A sample blanket was ordered and can be seen at the church. In June, there will be the opportunity to participate in the Tools of Hope program....tools, seeds, buckets, information and training go to people in the United States and around the world to help them have a better life.

Tour of 7 Historic Idaho Falls Churches

Idaho Falls Historic Preservation Commission will present a tour of 7 historic Idaho Falls churches on June 24th. The tour is free and self-guided based on a tour map showing the location of the 7 churches. Booklets describing the history of each church will be provided. You can get the maps and booklets starting at 10:00 am until 11:30 in the parking lot behind the old OE Bell school at Water and Elm Streets. If the OE Bell parking lot is closed due to construction, we will be across the street in the Franklin's Famous Cheesesteak parking lot. The churches on the tour are: Trinity United Methodist (10:00 to 11:30), First Presbyterian,

Holy Rosary Roman Catholic, St. John Lutheran Church, 9th LDS Ward, Salvation Army and St. Luke's Episcopal. You are free to visit the churches in any order between 10 am and 2 pm except the Trinity United Methodist Church which is just across the street and should be visited first. "Trinity UMC is hosting a wedding that day and must be visited between 10:00 and 11:30." For more information contact Hersh Mynarcik (208) 529-4694

Cub Scout Pack 6

By Sam Bays

"I've got that Scouting Spirit, deep in my heart, ..." has been a recurring song in Pack 6 this last month. "Scouting Spirit" is a traditional campfire song set to the tune "Joy In My Heart". Though the later version of the song does not specifically mention Jesus, as does the original, it gives a powerful message of the great perpetual "Joy" derived of unyielding "Spirit." One essential skill of a Cubmaster is to be silly, fun, creative, relevant, etc. I have found this difficult to do without attempting to find at least some joy in each moment, "even when none of the boys felt comfortable singing louder than a mouse the song that I was really excited to share with them at the pack meeting." Nevertheless, when we sang "Scouting Spirit" in the

same small decibel at the May 6th Family Campout in the cold pouring rain, the boys seemed to be having genuine fun, as though the boys were moved by the Spirit to find joy in that moment.

I hope that this Spirit continues with them as they begin the summer program of camps, hikes, zoo, Blue Angels, and a Chukars game. One thing that I've learned recently is that though it is extremely important that summer activities be purposeful, they should also allow for some unstructured fun, too. As a friend recently shared with me, "Everything in moderation, even moderation." If you have a son or grandson that would like to get the Scouting Spirit, feel free to call me at: 208-520-8883.

Tools of Hope

In honor of Father's Day we are sponsoring a Church World Service Tools of Hope drive. The money raised will provide tools for such trades such as carpentry, plumbing and tailoring, for refugees, asylum seekers and survivors of trafficking who have skills but lack the necessary tools. Trustees Corner by Nancy Stewart

Sanctuary Video Project:

We have purchased two 70" flat screen TVs using the audio upgrade designated funding. We are working with Electrical Equipment Co. to install three outlets in the front of the sanctuary for these audio visual upgrades.

Sanctuary Lighting Project:

A Home Lighting specialist is helping us improve the lighting in the back of the sanctuary. He has recommended three Beacon Floodlights for \$439.38 each. Their business will cover shipping as the discount for churches. We also spoke with Electrical Equipment Co. about installing three wall and ceiling adapters for the light fixtures. This

is also a dedicated fund item that we are working to complete this spring.

Copy Room Flooring Project:

Some Church members were concerned with safety of the flooring in the new copy room and offered to pay for its replacement. ServiceMaster personnel installed laminate to resolve this safety issue.

Parlor Organ:

Lynn Seymour is working hard to find a home for our Parlor organ (which is hard to even give away). A donated piano will replace the organ.

Total Eclipse of the Sun

How can we be of service to our fellow man and also help put a new roof on the church? Trinity has a unique opportunity to feed a multitude and maybe put some bread in our building restoration fund. It is time to put together a team to run our Eclipse fundraising effort. We will be exploring:

- Serving meals at the church
- Renting parking at the church
- Running an offsite trailer park

The Meal Service Team needs a leader,

cooks, servers, dishwashers and cleanup team members.

The Parking Team need a coordinator to make contacts and rent the spaces

The Trailer Park Team will need a leader to make arrangements/reservations, someone to design the spaces, a campground host, and security personnel.

YOU have this opportunity to help fund the restoration of the Trinity building. Contact Rev Ruth at 208-419-7870.

Happenings Around the Church

Shirley Cowell Life Celebration Potluck Breakfasts Begin

On June 8 at 11am we will celebrate the life of Shirley Cowell with her family and friends in the sanctuary at Trinity UMC where she spent many joyful hours. A luncheon will follow. Grave-side worship is planned for 1:30pm.

Directory

The new church directories are available in the office during regular hours or make special arrangements with Pam (522-7921).

Pot luck lunches have come to an end, but the GOOD NEWS is that pot luck breakfasts are just beginning! Starting June 4th potluck breakfast will start at 9:30am. Bring a dish to pass and enjoy the fellowship, but note that the third Sundays will be Scout fundraising breakfasts so you totally get a break from cooking!

Handcrafters

Handcrafters will take a summer hiatus.

Bible Sunday – Mother's Day - May 14

Trinity UMC has a long standing tradition of giving Bibles to children when they are in 3rd grade. A celebration was held on May 14 during the worship service to recognize: Keyani Brown, Jayda Robertson, Chloe D La Mater, and Taelyn Nelson. A reception for the children with a lovely decorated cake was held following the service.

Many children and youth assisted in worship, the reception and handing out flowers to everyone present. The Anderson Family Bible Fund pays for the Bibles.

ADAH - Taking a Break for the Summer

There will not be ADAH meetings during the summer (June, July and August). In the fall, we will join with the diabetes workshop each Tuesday 9/19 – 10/24.

If you are having a Senior emergency you can still call or email me (Don Rohde) at: donrohde@aol.com (860) 810-3227. I will get you connected with some resources. ADAH is here to support you!
