TRINITY UNITED METHODIST CHURCH—IDAHO FALLS

## The Outreach

### Kendall Denning:

After I graduate, I head off to the University of Utah immediately for a women's math and science program, and then in the fall, I will

be attending the school officially. I am going to major in biochemistry and strive to get into medical school. My plan is to become a surgeon because I want to be able to help others. I am excited for what the future brings, and I look forward to my next chapter in life.

decided is that I am going to take a year off of school and have fun, travel, and work. Then when I go to school I'm interested in becoming a biologist or a medical examiner. I plan on staying in Idaho for schooling and I'm interested in ISU and U of I.

### Jared Sene

After graduating from Skyline in a month, I hope to find a summer job to help pay for college! I will attend Northwest Nazarene

University in Nampa this fall to study Political Science and Trombone. My dream is to become a lobbyist (for only good causes, of course), and to play in a local symphony and teach private lessons. I thank Lee Lowry for giving me my first trombone six years ago, and for encouraging me to pursue music.

### Jill Summers:

I was born July 9, 1996 to Kim and Gene Summers. I spent the first 10 years of my life living on the numbered streets right next to the church. Right after

I turned 11 my family and I moved out to Ammon, and I thought I would have to change churches and I was devastated. I had made some amazing friends at church and we had amazing times as a child. Now that I am a senior in high school I have to decide what to do with my life and the only thing I have

We continue prayers for Ruth Farkas, Pauline Mickelson, Mary Meyer, and Carol Bruinsma.

## Mother's Day Blankets

---

Alone, cold, far from home-- for those suddenly homeless, there is a little comfort. A warm blanket can't take away the fear of the unknown, dispel the darkness of a strange place, or replace the presence of a loved one who may be missing. And we don't pretend that a blanket can solve the problem of homelessness!

What a warm blanket can do is that which blankets do best— provide comfort and lend primary protection from the elements. In refuge camps and make shift shelters around the world

Church World Service Blankets do even more. Blankets have been stretched with ropes for primitive tents, propped up as lean-tos against walls shattered by earthquakes, and tied between trees as hammocks for sleeping babies.

What more tangible, versatile expression of concern could \$5.00 provide? Why not give a blanket in Honor or Remembrance of your Mother on Mother's Day? When your order is placed, a card is sent to the person you are honoring telling of this special gift given in their name by you.

Just fill out the order form below and send or bring it (along with your check for \$5.00, payable to TUMC) to the church office.

## Preparing for the Next 100 Years

---

The 100<sup>th</sup> anniversary of the construction of Trinity's sanctuary is approaching in 2016, and it's time to conduct a 100-year check-up on our historic building. As the stewards of Trinity, the Trustees need to know that the beams, columns and foundations are strong and solid. The results of the 100-year check-up, along with other recognized problems with the windows, roofs, stone

and mortar, will be used to develop a comprehensive maintenance and restoration plan for Trinity. The Church Council has authorized the Trustees to establish the Trinity Restoration Fund Committee to look into various options for raising the money needed to perform the maintenance and restoration. This may include writing or contracting for the writing of grants to help

fund the restoration. We need your help, your ideas and your skills. If you are interested and willing to participate on or lead this committee, please contact the Church Office (522-7921 or [office@tumcif.org](mailto:office@tumcif.org)) or Richard Dickson (523-3023 or [ifspud@srv.net](mailto:ifspud@srv.net)), Chairman of the Board of Trustees.

## Regional Council News

---

Trinity is a member of RCCM, the umbrella group under which the Idaho Falls Community Food Bank and FISH operate. During the month of March the Food bank gave out 888 boxes which provided meals for 3547 people.

FISH served 29 families meeting needs including health, transportation and clothing.

The Friday Lenten Series was a success again this year. These services, utilizing the sanctuaries and pastors of RCCM, provide a

welcome opportunity for fellowship and communal worship during this special season. RCCM would like to thank Trinity for their participation.

## A Message From Jim Dahlgran

---

Friends,

It has been a long road from September 1994 until today. The road has crossed many intersections, many rivers and some very bumpy paths. We have had our ups, our downs and many, many diversions along the path. I am looking forward to my new life called – retirement starting May 1. This does, however, mean that I will be leaving Idaho Falls.

Leaving the bell choir and friends is by far the toughest part of saying goodbye. The

choir and congregants have all been gracious to allow me to ring and direct this wonderful group of musicians. I cannot thank you enough for this opportunity, your support and your praise for the outreach that we perform. I consider it both a privilege and an honor to have been involved with Trinity and the work we have performed over the years. Together, collectively, we have done some amazing things.

Our success is a testimony to each and everyone here. I would like to pay tribute to the

ringers and their friendship, dedication, commitment, and professionalism. I count myself most fortunate to have experienced these over the past 20 years. Thank you for the memories that I will take with me, thank you for the opportunities that were offered to me and thank you for the friendships forged over the years we have spent together. I am looking forward to the opportunities and challenges that await me in my retirement.

God Bless and Thank-you  
Jim Dahlgran
