Trinity United Methodist Church

Pastor's Perspective

*“Again, the kingdom of heaven is like a merchant in search of fine pearls; on finding one pearl of great value, he went and sold all that he had and bought it.*

*(Matthew 13:45-46)*

Dear Brothers and Sisters in Christ,

The above scripture from the Gospel of Matthew doesn't seem to make much sense. It is as cryptic as our personal or church finances can be perplexing when we are trying to figure out how to be good and faithful stewards of the resources that God has given us. On this day, April 24, 2017, Trinity begun the latest grand

adventure of building restoration and renovation. We are fortunate to have many resources at hand to help raise the needed funds for this important work and I am convinced that Trinity will be able to complete work in the next 36 months.

So what do we do when there isn't enough money to pay the bills? Wait! What! There isn't enough money??? There currently is not enough money coming through the offering plates to meet the annual budget and re-point, re-roof and re-bathroom the church. So what do we do?

We go out into the community to bring the Good News of God's love through our actions! This is always the right answer, whether is lots of money or just a little! While this may seem somewhat counter intuitive, when there is a scarcity of resources the natural reaction is to draw inward and not expend too much energy. However, God calls us to be faithful, even extravagant, in pursuing acts of justice and mercy. Jesus models care of the marginalized and love of neighbor, so as his followers how can we do anything less?

Answering God's call to ministry always is rewarded. Sometimes the reward is financial... often it is not.

So what do we do when there isn't enough money to pay the bills? Wait! What! There isn't enough money??? Even as we restore and renovate, the monthly expenses continue to hound us! It is important for the congregation to continue regular giving (and a bit more if you can) so that we can meet the monthly budget.

So what do we do when there isn't

enough money to pay the bills? Wait! What! There isn't enough money??? We pray. We pray about how we spend our personal funds and we pray about how church funds are spent. We pray about those who have less than we do and we pray about those who have more than we do (because they need prayer too).

Perhaps this story from the life of Jesus will be more helpful than the piece of scripture I offered at the beginning of this article:

*"Jesus said to him, "If you wish to be perfect, go, sell your possessions, and give the money to the poor, and you will have treasure in heaven; then come, follow me." When the young man heard this word, he went away grieving, for he had many possessions."*

(Matthew 19:21-22)

So what do we do when we find ourselves in the peculiar space between scarcity and abundance? We love God and neighbor more.

Blessings,

Reverend Ruth

Do you know of someone graduating this spring? Let Pam know in the office (522-7921) so we can recognize them on Graduation Sunday, June 21st.

Not Getting the BLAST? Email the church office to be added to the list.

## Building Preservation - Board of Trustees

We have received the final Building Conditions Assessment report from Myers Anderson and will share it with you this month.

The following work of phase one was started on April 24st and will be completed this spring.

- ◇ Temporarily secure capstones, \$5,000,
- ◇ Secure existing flashing on back sides of parapet walls \$5,500,
- ◇ Clean out and repair roof drains and downspouts, \$2,000, and
- ◇ Eliminate all immediate threats to the structural element \$5,000 (remove bituminous paper and synthetic sealants from all capstones).

This work is not part of the Capital Funds campaign we will start after the

Feasibility Study. We will use the money from our previous Idaho Heritage Grant (\$8,750) and our matching funds listed in our budget as roof repair fund and restoration fund (\$10,530) to pay for this work.

At the end of April we completed The National Fund for Sacred Places Feasibility Study that provided important information to us about the perception of the congregation in the community and region. The study analyzed the feasibility of the donors' and our fundraising committee achieving the monetary goals, and mapped out a strategy for our upcoming Capital Funds campaign. It answered the question "What is the scope - local, state, or beyond - of a capital campaign for the congregation?" - Nancy Stewart

"What goes into a man's mouth does not make him unclean, but what comes out of his mouth that is what makes him unclean." Mt 15.11. This month Pack 6 went to the Museum of Clean in Pocatello. The museum's curator and founder, Don Aslett, gave us a guided tour through the History, Art, and Culture of all things clean. What we learned on this field trip is how dirty the human world is and has been. There's a reason why the Pharisees were concerned with personal hygiene. The museum also testifies to the cleanliness that comes from personal creativi-

**The Progressive Dinner**

The Progressive Dinner will be held the evening of September 15<sup>th</sup> at the 5 "downtown" churches. This year Trinity is providing soup and bread. Trustees have been busy this month:

Meetings have been held to plan the replacement of the projector in the sanctuary with two large video screens. Vince Esparza is leading this effort and he has reached out to Mike Keeton and Tim Kaser for their expertise. We will start the electrical upgrades and TV procurements this

month.

We met with a Home Lighting specialist and are waiting to receive his analysis for upgrading the lighting in the back of Sanctuary.

Finally, we have called ServiceMASTER Clean Company to help with the flooring underneath our copy machine.

**Scouting News** By Robin Stewart

**Girl Scout Troop 60 /62**

Troop 60 has been busy completing the Woodworker badge requirements, two of our older girls taught us how to make duct tape flowers on the top of pens, and we learned authentic Mexican cooking at a recent meeting. Upcoming plans include: Climbing Gym, Breathe and Sow What Journeys, discussing summer activities and camping May 20th. Our end of the year Pot Luck dinner and Court of Awards will be on May 18th at Trinity.

**Venture Crew 6**

The annual Thatching and Aerating Fund Raiser brought many days action packed fun(?) filled action. Our scouts are the fastest rakers in the west! Thanks to everyone who participated and had the scouts work on their yards. The crew has raised \$1,300 for their summer adventure and are hoping to go to the Salmon River High Adventure base for whitewater kayaking and rafting. Look for photos soon.

**Boy Scout Troop 6**

The troop is in the planning stages of summer camp. They are going to Camp Bradley this year (near Stanley). The scouts have started raising money for camp by doing "show and sells" at various places in the area - so far so good.

Theo, our new SPL, has started Patrol Leaders Councils which allow the leaders of the troop to plan the upcoming activities of the troop and have a little ice cream while planning (it's at DQ - where else).

The troop has also decided to send 7 folks to Philmont, a scout ranch in NM, for an extended hike of 50 to 105 miles. Should be exciting. The new scout patrol has designed a new flag, created a new yell and developed a new name (which I cannot remember, sorry). They are almost ready to finish the Scout Rank which has been upgraded from the previous rank and requires quite a bit of work. Good job, guys.

**Membership Updates**

On March 27, 2017 Sophia Pearl Griffith and Roslyn Phoebea Griffith, daughters of Teesha and Matt Griffith were baptized. Teesha LaNette Grif-

fith was also baptized and welcomed into membership here at Trinity. Welcome to the Family!

### MOTHERS' DAY BLANKETS

Alone, cold, far from home - for those suddenly homeless there is little comfort. A warm blanket can't take away the fear of the unknown, dispel the darkness of a strange place, or replace the presence of a loved one who may be missing. A blanket can't solve all of the problems, however, it can provide comfort and lend primary protection from the elements. In refuge camps and makeshift shelters around the world, Church World Service Blankets do even more. They have been stretched with ropes for primitive tents, propped up as lean-tos against walls shattered by earthquakes and tied between trees as hammocks.

And what is more comforting than a warm blanket? In 2016 there were 3,114 blankets distributed in the US and Honduras.

A gift of \$10.00 can provide a blanket for someone, somewhere. These can be in honor of or in memory of someone. A letter will be sent to the person to be honored. Fill in the order form with the names of those you choose to honor and/or in memory. Checks are payable to TUMC with a notation that they are for Mothers' Day Blankets.
