### PRIDE Festival

On Saturday, June 22, members of St. Paul’s UMC and Trinity UMC united to show our support of the LGBTQIA+ community with a booth at Idaho Falls PRIDE.

We marched along with other members of the community in the PRIDE Parade, shared information about our churches, invited people to our upcoming Worship & barbecue service, gave away beads, charms, PRIDE flags, and Hershey’s kisses, and shared in holy communion with members of the community.

It was a very moving experience to share communion with people who have been told in the past that they weren’t allowed, or weren’t worthy to share in communion. What a blessing to be able to share Christ with this community. – Ryan Atwood

**\*\*Inspirational Worship:\*\*** Experience a meaningful worship service led by Rev. In the United Methodist Church the Lord's Supper is an open table- all are invited to participate in holy communion regardless of church affiliation, or non-affiliation.

**\*\*Delicious Barbecue:\*\*** Indulge in a mouthwatering barbecue feast, complete with hamburgers and hotdogs and all the fixings, refreshing beverages, and delectable desserts. **\*\*Meet the new pastor.\*\*** Rev. Elizabeth McVicker, Pastor of St. Paul's UMC and Trinity UMC, since March 1, 2024 has served United Methodist churches in Arizona, Wyoming, Colorado and Utah. ## Elizabeth's Epiphanies

Dear friends,

In the focus groups that were conducted this past month with the various groups at St. Paul's and Trinity, many many people expressed a desire for the churches to grow.

People expressed over and over again that they wished

more people attended church. This coming Sunday we have an opportunity to make that happen. The United Methodists (that means you!) are hosting a Community Worship and BBQ to introduce people to the United Methodist understanding of God's love and grace. I know you know what to do with the newcomers in our midst! I will see you Sunday!

Blessings,

~Rev Elizabeth

## Helping Pocatello First UMC

Pocatello United Methodist Church and Tender Loving Care Child Care (TLC), are raising \$360,000 to put a new roof on the iconic peak-roofed building that we share at the corner of 15th & Clark.

Our goal is to raise \$360,000 by mid-July. That amount will cover the cost of a complete roof replacement, some re-decking, extra weather guard on all north-facing slopes, complete gutter replacement, 6% in unforeseen cost, and fundraising materials. As of early May, the church community alone has already raised around \$80,000 to put toward this goal. But we need your help.

Our building has 25,600 square feet of roof. Dividing our fundraising goal by that square footage comes out to \$14.00 per square foot. So, for \$14.00, you can put a square foot of new roof on our building. Whether you can give 1 square foot or 1,000, you will help us raise a Roof for All.

Anything raised above \$360,000 will be put toward our next capital project, invested directly in the futures of all who share our building. All funds will stay local.

To contribute to Pocatello First's Roof Fund, please visit their GoFundMe page at <https://gofund.me/ba24db1b>

Work on the Habitat House continues, and progress is promising.

## Homeless Services

In May there were 195 homeless services supplied in the 18 days we were open (Up from 154 in May's 17 Days). This represented services to 63 unique people (up from 44). The services provided included 155 showers (up from 137), 44 loads of laundry (up from 36), and 9 requests for supplies (Down from 10). Supplies included socks, underwear, sleeping bags, and gallon bottles of water. We also worked with FISH to provide Gas Vouchers, and we helped a gentleman apply for his HVAC Apprentice license. The clients ranged in age from 18 to 73 with an average age of 49. Time in the church varied from 1 min. to 200 minutes with an average of 36 minutes. Most were returning clients, with 6 new clients. 71% have cellphones and 68% have valid ID.

### Daily Prayer

Relax and breathe deeply for just 60 seconds!

Visualize the breath of God filling every pore and all that is old, negative and stale being released.

Lord, give me an Open Heart.

Lord, give me an Open Mind.

Lord, may our gathered fellowship always have an Open Door.

A THREEFOLD CORD IS NOT QUICKLY BROKEN.  
ECCLESIASTES 4:12

## UWF Bags for Benches Program

The United Women of Faith “Bags For Benches” program sponsored by TREX plastic is back on track. The program was started a few years ago after Claudia Pine, Founder/Executive Director of Happyville Community Farm, spoke at the UWF meeting and presented us with a recycle box. Over the last few years Trinity has faithfully been bringing in bags to recycle.

Unfortunately, we lost our connection with Happyville Farms and the recycling ended up in 14 large trash bags in the paint storage room in the basement.

Thanks to Trudy, we are now reconnected with Claudia and the recycling is flowing. Because Trinity is well equipped with outside benches, I asked that our bags get credited to buy a bench for other nonprofits in Idaho Falls. Benches are nice but the real point is to get nonbiodegradable trash turned back into something useful. Remember:

### Recycle, Reuse, Repurpose.

## Stained Glass Progress

We received exciting news from Nzilani Glass Conservation this week. The first of our vent windows is completely rebuilt. But that isn't the most exciting news. The Nzilani staff was doing some reorganization in their studios and found one sheet of glass made by the Kokomo Opalescent Glass Company in Indiana. Over a year ago, we hoped to be able to purchase exactly this color of glass for our project, but it has been out of stock and totally unavailable. Although the Kokomo glass is not textured like our glass, it will be a much better match than the glass we planned to purchase from the Wissmach Glass Company.

Talk about pulling a rabbit out of a hat! And just in time to use it to rebuild our second vent window.

## Sawtooth Backpacking Adventure Camp

This summer Camp Sawtooth will be offering a backpacking camp July 21-28 for kids who have completed grades 7-11.

We will cover about 15 miles over a mountain pass, to several beautiful mountain lakes and along the headwaters of the Boise River.

No previous backpacking or camping experience is required, but campers should be physically and mentally prepared for hiking and adventure activities. The trip will be a bit strenuous as we will be hiking with packs through some rugged country. If you have not done anything like this before, you will be surprised at what you can do! Our goals are to have fun, learn, explore beautiful country, and make new friends in a setting that brings us closer to God, spending time immersed in the natural world.

Throughout the week scriptures will guide us in exploring the natural world and growing closer to God, our Creator.

Campers are encouraged to bring their own backpack and hiking gear, though some equipment is available at camp. The dean, Ken Ryan, would be happy to speak with anyone interested and can be reached at 208-233-3130 or go to [gocamping.org](http://gocamping.org) for more information.
