UWF News

United
Women
in Faith

Greetings! The next unit meeting is October 12 at 1:00. The program will be provided by Senior Solutions. Mary will be hostess. Come join us for food, fun, and fellowship.

John Wesley Quote

“How impossible it is for a man to see things right when he is angry? Does not passion blind the eyes of the understanding as smoke does the bodily eyes? And how little of the truth can we learn from those who see nothing but through a cloud? Correction must not be given in anger; if it be so, it will lose its effect on the child, who will think he is corrected, not because he has done a fault, but because the parent is angry.

Bishop Cedrick's M.L.I.E

You can watch Bishop Cendrick Bridgeforth videos from the Greater NW Area conferences regarding his direction for our churches. There are 5 of them in total and all follow the theme of M.I.L.E.

- M:** Ministry That Matters
- I:** Itineration & Location (being window people not mirror people)
- L:** Lay Ministry Enhancement
- E:** Eliminating Racism

This will give you a clearer understanding of where Pastor Kathy is leading us. You can view these on-line using the link below. I'd encourage you to watch them, especially before Bishop Bridgeforth comes to Idaho Falls in November 19th.

Walk to End Alzheimer's

The Memory Methodists Alzheimer's walk team is a joint effort between St Paul's and Trintiy UMC. The 8-person team was the third-place team at this year's walk based on money raised. Our star performer was Kathy Gaskill who is currently the 5th-place participant in the entire walk but is moving up as the totals get compiled. The team

included Luz Maria Harrison, Scott Taylor, Sherry Newey, Kathy Gaskill, Denny Kemp, Tommy Lew, Don Rohde, & Robin Piet (not pictured). The entire Idaho Falls walk raised \$36,088 to help fund research to find a cure for Alzheimer's disease.

Habitat House Progress

The Habitat house is progressing. The exterior walls that were made at St Paul's are in place and most have the chipboard exterior sheath attach. The interior walls are stacked inside waiting to be stood up and secured to the exterior walls. Soon we will see the roof trusses in place.
