## Offerings

I have been told many times that as we age, the years pass even more quickly. Until this last year, I don't know if I realized how true this would be. As All Saints and Thanksgiving approach, I am remembering the people in our church and community that we celebrated with just last year--Sherry Best, Flo and Cully Culbreth, Helen Reed, Betty Summers, Ray Squires, Jean and Richard Greenhalgh, Gertrude Slimmer, Micah Haugland, Dorothy Schoenhuth, Judith Williamson, Rulon Pickett, and

Jeanie Bingham. I know that there are many others that you are thinking of who have passed in the last year. We pause in November to give thanks for all of these lives that have been shared with ours. I give thanks for Sherry Best, and the history we shared together; for the vibrancy she had, and her incredible talent. Her faith never wavered through all of her adventures. I give thanks for Flo and

Cully and their many years of devotion to each other and to God. They were a witness of grace and elegance for many of us. I give thanks for Helen and her witness of patience, who was sure she was going to be one of my first funerals here, and was always ready for whenever her

### Get to Know Our New Members

We will be receiving new members on All Saints Sunday, November 3. Please take the time to get to know these new faces in our congregation.

### Tom Shanor:

Hello, my name is Tom Shanor, and I am the father of three adult children who are all married, and the grandfather of nine. I am residing in Idaho Falls simply to be near my son, David, and his

family. My life is one of change, adventure, and ongoing mental, emotional and spiritual growth. The years go by quickly and as such, each day is a gift of God and each day has both its joys and chal-

time would come. I give thanks for Betty Summers and how she was not able to give birth to her own children, so she adopted three children and fulfilled her call to be an incredible mother. I give thanks for Ray Squires, and how he was such an example of "The Greatest Generation." I give thanks for Jean and Richard Greenhalgh, and the way they found love in their mature years. I give thanks for Gertrude who didn't need extravagant things to be happy, but loved her family and was active in UMW. I give thanks for Micah, and for the love of fam-

ily even through the struggles of too short a life. I give thanks for Dorothy and the way she took care of everyone around her. I give thanks for Judith Williamson, and how this perfectionist created a secure family by providing unconditional love. I give thanks for Rulon, and how this New Sweden farmer had enough love for all his children. And I give thank for Jeanie Bingham, and the way she valued her family, and the memory I will always cherish of the last Sunday evening with her family gathered around her bed to share in communion with

her.

These are the saints we will be remembering on All Saints Sunday, November 3. On this Sunday we will also celebrate that life continues on, even after death, in this life and in the life to come. We will celebrate with the baptism of Kenneth Stoller, and with the church membership of Lloyd Kindred, Janet and Alana Cowgill, Lyle LaBonte, Amanda Rackham, Cheryl Stoller, Tom Shanor, and Dennis King.

Life moves too quickly. Let's remember to appreciate each other every day!

Grace and Peace,  
Brenda

lenges. With God's help and oversight each one remains a blessing. I have years of work experience involving retail, and then almost twenty years of starting new churches for the International Four-square denomination. Those years, while being married and raising a family were the most challenging and rewarding of my life. I cherish them all.

Today I am returning to the origin of my spiritual roots which lay in the United Methodist Church covenant and theology. I have found Methodism to give me a foundation of spiritual realism and comfort, and yet challenge me to grow in new and vibrant ways. Pastor Brenda Sene as well as many Trinity congregants and friends, are also involved in my ongoing stretching--just don't pull too hard, okay? I find my main goal is to

build on a solid foundation already established, while embracing change, new challenges, and a fuller life in Christ. Thank you.

### **Lyle LaBonte:**

Lyle was born in Forest Grove Oregon in the fall of 1967. He was raised in the rural town of Banks Oregon, population 550, which is located approximately 20 miles west of Portland at the foothills of the Coast Range. He is the third of four brothers and his parents, Louie and Leanne, were very active members of the St. Francis of Assissi Catholic Church in Roy Oregon. In this case, active really means active! His mother was on the Church Council, Parish School Council, Fundraising Committee Chairperson, typed the bulletin, set up the Church for holidays and cleaned the Church every Saturday. With all of the her involve-

ment her children, including Lyle, were able to enjoy the varied opportunities supporting the church such as;

- Printing the bulletin on the mimeograph machine
- Cleaning the church
- Supporting the many fundraisers his mother was involved with (Lyle and his brothers were proficient coffee servers at a very early age)
- Lead Acolyte (Mass Server and Trainer)

Lyle (along with his brothers) attended the Parish School from the 1st to 8th grade and each morning before school his grandmother stopped by the house to pick up Lyle and his brothers so they could attend mass before school. Yes, every school day for eight years. Let's just say Lyle and his brothers were well tended to.

Lyle went into public high school and was actively involved in sports throughout these years and played football, basketball and baseball. Following high school he spent two years at college with no clear goals and opted to join the Naval Nuclear Propulsion Program. While in the Navy Lyle met his wife Trudy while stationed in Idaho Falls and loved her so much that he not only proposed but proceeded to lead her around the country (Washington State, New York, and Minnesota) before bringing her back to her family and community.

After Lyle and Trudy moved back to Idaho Falls and were looking to baptize their first child it was clear that they were to baptize Erika into the United Methodist Church at Trinity. This decision was met with a period of time where Lyle first looked at his Catholic faith with a real questioning attitude. Following the baptism of their second child, Nathan, Lyle began to look seriously at joining the United Methodist Church so that there would be no confusion for his children as they grew older. At one point during a family get together he had joked that "if Pastor Brenda were to stay he would join the church" (coming from a strong Catholic background he was only half serious). A few days following this comment his mother-in-law (Donna Oltmanns) called to inform him that Pastor Brenda was staying!!!

Although this is true Lyle received a copy of the Book of Discipline and the Book of Resolutions and began to study them as well review his Catholic Catechism. While studying Lyle decided that his beliefs were more in

line with the United Methodist Church and that becoming a member was the best thing for himself (spiritually) and his family. This decision was not taken lightly and took several years as he was raised in a very Catholic family, community, and the word "Catholic" was part of his identity. Although this was a very difficult, personal, and spiritual decision, Lyle is grateful to be joining the United Methodist Church.

am back in Idaho Falls because I married Brenda.

I was raised a Protestant, but I was active in the Catholic Church for many years because my ex-wife was Catholic. We raised our three children (Denyse, Stephanie, and

Bryan) in the Catholic Community in Idaho Falls. To be honest, I am returning to my Protestant roots largely because I married a minister! It feels good to be active in the church again, and to serve God in this way. I am appreciative for Trin-

ity, and for the way you reached out and welcomed my twin granddaughters, Hannah and Hailey, when they lived with us for two months last summer.

## Meet our New Youth Director!

---

### **Kimberly Zwygart:**

Hello my name is Kimberly Zwygart, I am 27 years old. I am married to the most amazing, funny, kind, dorky man, Jonathan Zwygart. Together we have three awesome kids; Ukiah Jane (7) Madix James (4) and Presley Jade (11 months).

Currently I am half way done with cosmetology school. Hence the crazy hair you will see me with. I grew up in the Pocatello First United Methodist church. I loved it

there so much. I went through confirmation, went to Sawtooth summer camp every year, went to all of the youth rallies, and I was also an avid youth grouper. I went on two trips with the church to Honduras.

I hold a special space in my heart for mission work. I really believe that mission can open up a child's eyes to God. I am so excited that Brenda has given me the privilege to be the youth director, here at Trinity. I already adore the youth,

and I am so excited to spend more time with them. Some of the things I would like to do this year are, fund raising for a mission trip, youth rally's with the other Idaho untied Methodist churches. A Christmas birthday party for Jesus, movie nights, a valentines dinner, and help the youth truly find their faith.

## Thanksgiving Dinner at the Elks Lodge

know someone who does, please call 522-7200.

If you would like to volunteer or to deliver meals, also call 522-7200.

## Prayer Chain

---

We offer prayers of thanksgiving for the dedication service for Sofia Pearl Griffith. Her parents are Teesha and Matthew.

Our prayers are with David Bingham and his family as they grieve

Jeanie's death.

We continue our prayers for Ruth Farkas, Giovanni Castillo, Joyce Ayers, Lyn Bingham, Ruth Howard, Roy and Betty Simonds, Mary Meyer, Carol Bruinsma, and Blair

Nelson.

We pray for country, that our leaders may work together with integrity. We pray for our city, and for those who will lead us after the elections.

# Thank You!

---

We want to give a heartfelt **THANK YOU** to the many people of our church family who helped with the Chili Cook-Off Fund Raising Benefit for the Castillo Family on Sept. 28 here at Trinity UMC. Thank you for your time, energy, enthusiasm, gifts and attendance at the event. Many people from various churches, organizations, businesses, friends and others participated in some way to make this a really special community event and so much fun for our family. It showed us what a wonderful community of caring people we have here in Idaho Falls. It lifted our spirits and helps us move forward in this time of crisis with the serious illness of Giovanni Castillo. The monetary return was beyond our expectations. We know that God was working through all of the people involved who supported this special event for us. A very special thanks goes to Kay Kiefner, Jan Lowry and Heather Duffy who made it all happen.

## **An update on Giovanni as of Oct 21, 2013:**

Giovanni is married to our daugh-

ter, Heather and they live here in Idaho Falls with their 3 children, Giovi (9), Adellyna (6), and Eliana (2). Giovanni was diagnosed with (ALL) Acute Lymphoblastic Leukemia in Oct. 2011. He went through aggressive treatment and was declared in remission in the Spring of 2012. He was in maintenance treatment but doing very well and was able to return to work. In June 2013 continued blood tests revealed cancer again. Since then he has been in treatment and spent 5+ weeks in the hospital only to have the treatment not work. Tests continued to give mixed results and the cancer cells appear to be a rare form. He is now going to hospital at the Huntsman Cancer Center in Salt Lake City where we pray they will be able to give him treatment to kill the cancer cells. We hope he will be able to have a bone marrow transplant but he has to be in remission and physically able in all other ways to have this procedure. His older sister is a match and will donate to him. This will all take time. He will now have to be separated from the family which will be difficult. Heather will be with him some

of the time but must continue to work as she can at EIRMC here in Idaho Falls. The 3 children will be in our care. The hospital does not allow the children to visit so we plan for them to see their "Papi" via the computer and Mommy when she can be with them. Many challenges are ahead for us all. Please keep us in your daily prayers. Heather has set up a special site through the Internet on the computer with the Caring Bridge organization. Anyone can view this site and keep up to date on Giovanni. Please look at it often and send messages to Giovanni and Heather. This is what you do.

# UMCOR

---

Since 2007 and 2009 when I was part of VIM teams who traveled to the UMCORDepot in Louisiana, I have organized an opportunity for people in our community to put together School Bag Kits for Disaster Relief. I have invited members of FFL (Friends for Learning) to participate as well as people from several churches in this community.

This year I had 20 people come to a workshop on Sept 17 at Trinity where we cut donated fabric, using a specific pattern, into school bags. In less than 2 hours we had over

100 bags cut and ready to sew. Now I have various people sewing them together. Anyone is invited to help with this. There is an on going need for these kits. The School Bags are only one of the kits used by UMCOR and other Humanitarian groups for disasters all over the world. Now I would like to have some school supplies to go with the kits and am asking for the following items to be donated. scissors (blunt tips), 12" rulers, pencils (plain colors), hand held pencil sharpeners, pink erasers (2 1/2 "), box of 24

crayons, spiral notebooks or packs of 8 1/2" x 11" ruled paper. We will also accept money for UMCOR to purchase the supplies - \$11.00 for each bag. If you wish to donate please leave the items or money at the church offices, designating they are for UMCOR School Bags. I want all items and school bags completed by Nov 15. I will then deliver them to the UMCOR Depot in Salt Lake City.

Thank You.

# Thank You for Giving Blood

---

The blood drive for Giovanni Castillo on October 24 was a great success. Thank you to Kathy Harder for organizing it, and to all who donated and helped.

Kathy has provided this poem, author unknown.

I gave my blood;  
Christ gave his.

I give a pint;

he gave all.

The needle is small and sharp;  
the nails were large and dull.

The table is soft and relaxful;  
the cross was rough and painful.

The nurses kind and gentle;  
the soldiers cruel and mean.

The crowd applauds my sacrifices;  
“They that passed reviled him.”

Mine is for O positive;  
his for positively all.

Mine, at best,  
will prolong a life, for awhile;  
his, without a doubt,  
can save all, forever.

## News from the United Methodist Committee on Relief

---

### UMCOR supports US disaster relief

Last week, during their semiannual meeting, the board of directors of the United Methodist Committee on Relief (UMCOR) approved six grants for ongoing US disaster recovery work in five United Methodist annual conferences: Kansas-West, Tennessee, Central Texas, New York, and Susquehanna. Nearly \$700,000 in new grants will support long-term recovery efforts from multiple disasters which occurred earlier this year and provide disaster case management, reconstruction, and spiritual and emotional care support.

The sum also includes support for the ongoing recovery efforts of the New York Annual Conference and the Susquehanna Conference following, respectively, Superstorm Sandy in 2012, and Hurricane Irene and Tropical Storm Lee in 2011. In addition, more than \$6.3 million was approved to support ten projects in Japan following the devastating triple disaster in 2011. The funds will support psychosocial projects, reconstruction, capacity building, disaster risk reduction, and livelihoods development, as well as awareness-raising of issues related to nuclear energy and radiation poisoning.

UMCOR directors also approved grants for work in Cuba, Haiti, and Zimbabwe. In Cuba, \$500,000 will support reconstruction of 100 damaged or destroyed homes caused by Hurricane Sandy last year. In Haiti, a \$300,000 grant to partner Church World Service (CWS) will benefit 55 families in the underserved rural communities of Ganthier and Boen. And in Zimbabwe, funding will support the work of UMCOR’s country office to meet the needs of orphans and vulnerable children in the rural Chimanimani District. ## Missions

---

Many thanks to everyone who par-  
ticipated in the produce "sales" this  
summer by bringing items and gen-  
erously donating to  
"buy" them. There were delicious  
vegetables and fruits as well as  
flowers to enjoy and plants to ex-  
pand gardens. The money will be  
donated to the Soup Kitchen, where  
from 125 - 200 people are fed each

day. Thank you to everyone. There  
continues to be a need for canned  
food to stock the shelves at the  
Soup Kitchen. When you consider  
that 20 - 45 cans are used each day  
as vegetables, fruits or ingredients  
in delicious casseroles, the shelves  
begin to look empty. Be sure to  
look at the Missions bulletin board  
above the stairway to see the certifi-

cate received from Church World  
Service for Trinity's continued sup-  
port of the Mothers' Day blankets  
and Tools of Hope. With all of the  
disasters in the world, many, many  
people benefit from the blankets  
and tools to assist in recovery.

sions Chairman

You are invited to  
join the women of  
Trinity for lunch at

noon on Tuesday, November 12th, at  
the Olive Garden. Please call Lola to  
let her know if you will be able to at-

## Scouts! Troop 6, Pack 6, and Crew at Trinity

---

The Cub Scouts of Pack 6 here at Trinity annually do a **Bake Sale and Auction** each year at the Nov. Pack 6 Meeting. This year is will be on Tuesday, Nov. 19, 6:30 to 8:00 in Mary Dawson Hall. The Cub Scouts and their families provide various items for sale in the \$1.00 - \$3.00 range for the kids to purchase and then they have more elaborate items, cakes, pies, breads, other desserts that are auction off. All of the proceeds are given to the Pastors emergency fund here at Trinity. This is one way the Scouts

give back to Trinity UMC. The Scouts, their families and ALL Trinity Church members and friends are invited to this fun event. Please come and support the Cub

Scouts and the Emergency Fund for people in need.

*93rd Anniversary of Troop 6 and  
26th Anniversary of Pack 6!*

Trinity has long been supportive of this program as a community program. Boys (and some girls) come from all over the city to participate in this program.

Currently, we have approximately 40 boys participating in the Cub Scout Pack, 14 boys in the Boy Scout Troop, and 12 young men and women in the Venture Crew. As part of the Grand Teton Council, the troop is the oldest troop in the area. They were founded in 1920 and are celebrating 93 years in the scouting program. The Cub Scouts are celebrating their 26th anniversary this year. The leaders and scouts have made it possible for this unit to obtain and maintain the Quality Unit Award. We are proud to be able to sponsor such a hard working group!

The 11:00 am radio broadcast of our Sunday worship service is valued by many people within our

congregation and our community. It is an important ministry that Trinity has been honored to provide. Please sign up to sponsor a radio broadcast. In honor of a person or occasion, or in memory of a loved one.

preacher, as he shares his  
journey in faith.  
**24** - Bible Sunday The tradition at  
Trinity is to give Bibles to children  
in second and third grade, as well as

to older children who have not yet  
received a Bible from the church. If  
you have a child who needs a Bible,  
please contact the church of-  
fice: 522-7921. Many people in our  
congregation still have the Bibles

they received from their churches  
when they were children!  
November 24 will also be Thanks-  
giving Sunday.  
Saturday, November 30 at 9:00 will  
be the Hanging of the Greens.

Please help us make this decision. We need to hear from as many people as possible, so that our future worship schedule will meet as many peoples' needs as possible.

1. My preference for Sunday mornings is (circle your answer):

- (a) Sunday School at 9, blended worship at 10 (current plan)
  - (b) Praise and Rejoice at 9, Sunday School at 10, Traditional at 11
  - (c) Sunday School from 9 to 10:15, Blended at 10:30
  - (d) Another schedule (please describe):
- 

2. What I like best about a single worship service together is:
